## COMPANY OVERVIEW

**KODIAK TRANSPORTATION** was founded in 2016 by Mitch and Drew Millburn with a vision to provide comprehensive and reliable logistics solutions across the United States. As an asset-based logistics broker, we proudly service all 48 contiguous states. Over the years, we have expanded our operations into four key divisions: Asset Division, Brokerage, Dedicated Services (specializing in FedEx runs), and Dispatch Services. This robust structure enables us to manage over 700 loads weekly, showcasing our capability to handle large-scale logistics operations efficiently. With prior experience in shipping Department of Defense (DOD) freight, **KODIAK TRANSPORTATION** has demonstrated a commitment to reliability and excellence in specialized freight services. We take pride in our excellent communication, which ensures top-notch service at a fair price. Our dedication to service excellence and operational efficiency makes us a trusted partner for diverse logistics needs, including government and military operations.

## CORE COMPETENCIES
